Sherlum13@gmail.com

I am a 3d Animator with 6 years of experience in 3D animation. Passionate about 3d animation and games. Love bringing 3d characters to life and telling their individual stories.

Skills

3D animation	■■■■■
Character animation	■■■■■
Character Rigging	■■■■■
3D modelling	■■■■■
3D rendering	■■■■■
Decision-Making	■■■■■
Team work	■■■■■
Time management	■■■■■

Work History

2020-07 - Current	3D Animator <i>Toveedo, Montreal , Canada</i> Worked closely with the screenwriter to come up with storyboards and using these storyboards to bring the various 3D characters to life with animation.
2021-12 - Current	3D Animator <i>Bossem, Plymouth , United Kingdom</i> I help to design the main character for a mobile AR game. I also created various animations for this character which I help to integrate into the unity game engine.

Education

2015-06 - 2020-07	Bachelor Of Engineering: Mechanical Engineering <i>Landmark University - Kwara State Nigeria</i>
