SUMMARY

Dynamic XR Artist and Project Manager with 5+ years of experience delivering high-impact assets, immersive VR environments, and animation content for enterprise clients and game development. Proven expertise in end-to-end 3D production, real-time optimization, and cross-functional team leadership.

KEY ACHIEVEMENTS

- Spearheaded VR training for high-compliance industries
- Delivered solutions for 15+ global Fortune 500 clients
- Mentored 30+ 3D animation students, with graduates securing positions at leading creative studios
- Contributed to award-winning short animations honoured at Dingle Animation Festival and ITFS Festival Stuttgart
- Successfully managed simultaneous roles as 3D artist and project manager, demonstrating technical depth and leadership capability

PROFESSIONAL EXPERIENCE

Artist & Technician - Illuminate XR | Remote, USA

Jan 2025 - Present

- Developed optimized 3D assets and immersive environments for XR applications across multiple hardware platforms
- Collaborated with cross-functional teams to translate creative briefs into production-ready digital assets
- Maintained consistent visual quality and technical standards while meeting aggressive project deadlines
- Contributed to asset library development and documentation for scalable, sustainable production workflows

Project Manager - Seahorse Agency | Remote, Dubai

Feb 2025 - Present

- Oversaw end-to-end project management for animation and motion graphics productions
- Led cross-functional teams delivering projects on schedule and within budget, managing stakeholder expectations
- Tracked project metrics, identified bottlenecks, and implemented process improvements to optimize workflow
- Managed client communications, scope clarification, and stakeholder expectations throughout project lifecycle

3D Animator – Engage XR | Remote, Ireland

Oct 2021 - Dec 2024

- Delivered custom VR environments for Fortune 500 clients including KPMG, Pfizer, 3M, Lenovo, HSBC, KIA, BofA, PwC
- Coordinated with teams to meet stringent technical, aesthetic, and performance specifications
- Provided technical expertise on project deployments, including VR session management and ongoing client support
