EMPLOYMENT HISTORY

Illustrator/ 3D Artist, Springernature

Cairo

Jan 2019 — Dec 2021

Springernature is a global publication of science with various publications worldwide. I worked as an illustrator and 3D artist to create infographics, cover design, and illustrations. I had the chance to work on publications in the middle east for entities such as KAUST, KACST, and scientific american Middle east. I also had the chance to work on published cover art for publications such as Japan's Nature digest, and Nature Italy.

3D Artist, Next Decade

Paris, France (Remote)

Jan 2022 — May 2022

Next Decade creates digital spaces as products, in which artists and creators can customize, design, and showcase their spaces along with their owned digital assets. This turns spaces into personalized works of art. During my time at Next Decade, I was responsible for creating various concepts for spaces that will host various assets, along with different characters, items to be featured in the space.

3D Artist/Animator, Pony Studio

London (Remote)

May 2022 — January 2024

Pony is a design studio that has worked with over 150+ companies worldwide to deliver engaging brands, designs and visuals. My responsibilities as a 3D artist/animator at Pony include a variety of aspects. My work covers creating 3D designs, artworks to accompany brands, and creating engaging motion and 3D animations.

Freelance Artist, Freelancer

Worldwide

Jan 2018 — Present

Since my fifth year of university, I have had the chance to work with companies locally and internationally to deliver engaging artwork, animations. During that time I got to work with companies such as Breadfast, Tabby, Nimbleboat, Hyve studio, Nawar, Almanasa Publication, Areej, Cultiv, Sinbad, and Telda.

Founder/ 3D Instructor, Tabasheer

Worldwide

June 2023 — Present

Created a platform to help artists and designers learn 3D and animation through youtube, online courses, and curriculums for people and businesses. Over the past year, we've gathered over 1000+ students all over our channels and courses and over 8000 regular subscribers.

EDUCATION

Bachelor Degree, Architecture School, German University in Cairo

Cairo
