PROFESSIONAL EXPERIENCE

GRAPHIC DESIGNER

2018 – Present

Rare Rabbits | rarerabbits.com

- Transformed brand visions into impactful design solutions by crafting logos, visual identities, and campaigns that engaged audiences across industries from lighting design to e-commerce.
- Designed and executed high-quality concepts across print and digital platforms, including business cards, social media graphics, and full brand identity systems; while aligning creativity with strategic objectives.
- Leveraged advanced expertise in Adobe Creative Suite (Illustrator, InDesign, Photoshop) to deliver polished, accurate, and visually compelling work under fast-paced timelines.
- Partnered with clients and business owners to redefine brand storytelling, driving a 10% increase in exposure for startups through compelling visual narratives.

SALES ASSOCIATE

2024 – 2025

Bits n Pieces | Van Nuys

- Conducted great customer service by communicating effectively and addressing customers' concerns
- Operated cash register, processed payments, and calculated change with accuracy
- Stocked merchandise by packing, unpacking, and labeling items using identification tags, stamps, or labeling equipment
- Maintained store presentation by organizing shelves, cleaning, and fronting products to ensure a tidy shopping environment

ART THERAPIST

2017 – 2018

Kaiser Permanente Woodland Hills | Colors of Healing

- Facilitated therapeutic painting, sketching, portrait, and watercolor sessions for patients in recovery
 - Communicated with empathy to ensure patients felt understood and supported
 - Guided self-expression through art by encouraging clients to paint meaningful imagery that supported their healing
-
