PROFILE

I'm a 3D artist working in a lot of fields, from automotive to product or environment design.

I love to do simulations (smoke, fluid or particles) too.

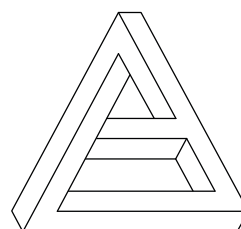

It doesn't matter the subject, I love any kind of project that can be developed in 3d.

SERVICES

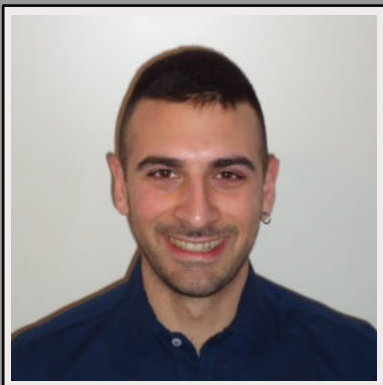

- 3D modeling
- Texturing and Shading
- Lighting
- Technical and/or Illustrative graphics
- Photorealistic Rendering / Animation
- Not Photorealistic Rendering / Animation

SOFTWARE

- BLENDER
- CYCLES / EEVEE
- SUBSTANCE SUITE
