SUMMARY

Creative and detail-oriented 3D Artist with a strong focus on immersive VR Environments. Skilled in modeling, unwrap, texturing, lighting, and optimizing assets and collisions for real-time engines. Proven ability to bring concepts to life with artistic vision and technical precision. Passionate about crafting engaging virtual worlds that enhance storytelling and user experience.

- My skillset includes:
- 3D Artist | 3D Environment | Level Designer | Character Modeling | Sculpting | Grooming in X-Gen
 - Low Poly & High Poly Models Creation
 - Texturing & UE Vertex Painting & Look Development
 - Procedural Modeling & Texture Baking & Lighting & Baking
 - Optimization & Collisions
 - Real-Time Rendering & Post-Process for Cinematic Quality

EXPERIENCE

3D Artist

Self-Employed | E-Commerce Projects

- 06/2025 - Present Vishakhapatnam, Andhra Pradesh, India
- Create stylized and realistic 3D assets — Character, environments, interiors/exterior, props, e-commerce products, and 3D-printable statues with clean topology, texturing, rendering, and real-time optimization.

3D Artist | VR Environment Artist

Shaurya Infosoft

- 07/2024 - 06/2025 Noida, Uttar Pradesh, India
- Creating immersive VR environments as a 3D Artist.
 - Worked on multiple VR game titles, contributing to world-building and environmental storytelling.
 - Implemented real-time rendering and optimization techniques to ensure smooth performance across VR platforms.
 - Created detailed low and high-poly models for characters and environments, aligned with project art direction.
 - Designed lighting setups and post-processing effects to achieve cinematic quality visuals in real-time scenes.
 - Contributed to look development, procedural modeling, and baking workflows to support efficient content pipelines.

3dCharacter Modeling & Texturing Artist

People Media Factory

- 07/2023 - 06/2024 Hyderabad, Telangana, India
- Created high-quality 3d organic & hard surface models, props and environments used in film production.
 - Focused on realistic character modeling & sculpting.

3d Modeling & Texturing Artist

Self-Employed | E-Commerce Projects

- 06/2022 - 05/2023 Visakhapatnam, Andhra Pradesh, India
- Specialized in creating 3D product models and textures for e-commerce platforms.
 - Produced photorealistic assets used in online stores and product visualizations.
 - Delivered optimized 3D assets tailored for web and AR experiences, maintaining high fidelity and fast load performance.
 - Utilized tools such as Maya, Blender, Substance Painter and Photoshop for modeling, texturing, and presentation rendering.

EDUCATION

Diploma In Visual Effects

Pixelloid Studios, Diploma in visual effects , Animation, Interactive Technology, Video Graphics and Special Effects

01/2022 - 02/2023 Visakhapatnam, Andhra Pradesh, India

LANGUAGES

Telugu	Native	English	Intermediate
Hindi	Beginner		

DECLARATION

I here by declare that the above mentioned information is correct to the best of my knowledge and belief.

ACHIEVEMENTS & PROJECTS & CREDITS

VR Games - Published On Meta Store

Company: Shaurya Infosoft

Titles:

- MMA Cage Conquest
- Archery Master
- Thrust Hunter

Role: VR Environment Artist

- Created 3d realistic environments, assets, unwrap, texturing, lighting, baking, collision setup, and performance optimization.
- Ensured consistent performance at 72 FPS, with draw calls maintained between 100 and 200.
- Optimized environments with primitives ranging from 30k to 100k.
- Used texture sizes between 1K and 2K per asset.
- Each environment was built using three materials to ensure high visual quality and performance.

Upcoming Title - Meta Store

Currently developing a new VR game scheduled for release on the Meta Store.

Film Credit – Tollywood

Manamey Film – People Media Factory

Released - June 7, 2024

Role: 3D Character Artist and Texture Artist

- Created realistic 3D character models for the tollywood film Manamey, maintaining anatomical precisions.
- Developed high quality textures to enhance skin details, clothing and props.

SKILLS

Maya	Blender	3ds Max	ZBrush
Digital Sculpting	unwrap	groom x-gen	
RizomUV	R3DS Wrap	Daz3d	
Lighting	Photoshop	3D Substance Painter	
Unreal Engine 5	Level Design	Rendering	
Character Creator 4	Premiere Pro		

HOBBIES

Observation & Experienced

- Games
- Cartoons
- Movies
- Boxing
