PROFESSIONAL EXPERIENCE:

#1. Freelance 3D Artist / Motion designer 2021.08 – 2024.06

FREELANCE, London, United Kingdom

I'm working for worldwide agencies creating ads and content for brands: **Intel, Hitachi R&D, Pernod Ricard, Muov (Absolut, Chivas Regal etc.), Unilever (Dove, Tresemmé etc.), Ogilvy UK** and more.

- 3D Warehouse animation Unreal Engine 5 for Intel <https://youtu.be/Bz3jU6T0M2U>

#2. 3D technical artist 2021.01 – 2021.07

AE LIVE, Hemel Hempstead, United Kingdom – television graphics and data solutions

<https://ae.live/>

I was a part of a team who designed and produced 3D Virtual Studio for **BBC Sport Euro 2020**

<https://ae.live/news/ae-live-at-euro-2020>

#3. Freelance 3D Artist / Motion designer 2019.10 – 2020.12

FREELANCE, London, United Kingdom

I'm working for various agencies creating ads and content for brands: **Booking.com, Ferrero, L'Oréal, Norwegian, Pennies, Snack A Jacks, Sony, BBC Sport, Team Rubicon, TikTok, Tropicana, United Nations – World Food Program** and more.

#4. 3D Artist / Motion designer 2018.09 – 2019.09

KUJU GAMES, London, United Kingdom – console game development studio

www.kuju.com

I created CGI backgrounds and VFXs for **'ZUMBA® BURN IT UP!'** released on **Nintendo Switch** game console in November 2019. I also supervised live action green screen studio recording sessions in Miami, FL to capture main videos of instructors and backing dancers to be used in the game and main instructor mo-cap sessions in London.
