

Francesco Tripi

3D Generalist

WHO I AM?

My name is Francesco Tripi and I was born on April 5, 2002, in Treviso. I graduated from Liceo Duca degli Abruzzi in Treviso and obtained a Bachelor's degree in Visual Arts from IUAV University of Venice, later completing a Master's degree in 3D Computer Graphics at Skyup Academy. Since high school, I have cultivated my passion for art and fashion by learning to use various graphic software programs and working on commissioned projects for small clients. I am a versatile and highly sociable person, comfortable working in a team environment, with strong problem-solving skills.
