

Christian Dube

Aspiring 3D artist with a creative drive to bring stories to life and create as well as learn new things that will help me toward my goals to become a better animator and 3D artist. I am a quick learner with the ability to adapt to my environment as well as applying my problem solving abilities to help those around me.

EXPERIENCE

The Flying Circus— *Job Shadowing*

2015, South Africa

I had the fortunate opportunity to Job Shadow at The Flying Circus Animation Studio and was able to learn a lot about the industry as well as the animation pipeline and was able to interact with amazingly talented individuals.

Sphere Animation Studio — *Job Shadowing*

2017, South Africa

I had an opportunity to experience the advertisement side of the animation industry and learnt a lot such as; how to deal with clients as well as understanding the difference between the motion picture animation industry compared to the advertisement animation industry.

Freelance

2023 -

Logo Design, Video Editing, Self Portraits, 3D modelling, Texturing and Animating.

EDUCATION

The King School Robin Hills — *High School Certificate*

20XX - 2018, South Africa

Graduated in 2018.

The Animation School — *Diploma in Digital Animation*

2019 - 2022, South Africa

Training in CG art, 3D and 2D Animation, 3D Modelling and Texturing as well as 3D Rigging and Character Animation.
