

Omar Abdel-Aal

3D Designer

WORK EXPERIENCE

CURRENT	3D DESIGNER BYDZYNE INC / USA I create high-quality visual content for brands by combining 3D, video, and graphic design to deliver impactful digital experiences. My work includes realistic 3D product models, animations, product reveal videos, and marketing content for social media, supported by strong brand-aligned graphic design and AI-powered workflows for efficient, high-quality results.
JAN 2022 - JUL 2022	3D MOTION DESIGNER PLAN A EXPERIENCE DESIGN STUDIO / EGYPT I create immersive visual experiences using advanced 3D animation and video production for events, marketing, and large-scale displays. My work includes 3D animations for weddings and live events, building-scale projection mapping, and high-impact 3D product animations optimized for all screen sizes, supported by sound design and professional video editing for a complete audiovisual experience.
JAN 2021 - NOV 2021	3D GRAPHIC DESIGNER COSMO ACT / EGYPT I create specialized visual content for medical and cosmetology brands, including professional social media visuals, 3D product reveal animations, and medical explainer graphics that simplify complex procedures. My work also covers 2D motion videos for services and products, along with booth and exhibition designs that enhance brand presence at events and conferences.
JAN 2019 - SEP 2019	GRAPHIC DESIGNER M SQUAD ADVERTISING / EGYPT I create cohesive visual identities and digital content for brands, including social media design, full branding systems, print materials, 2D motion graphics, informational animations, and video editing for commercials to ensure consistent, high-impact communication across all platforms.

EDUCATION

2017 - 2022	APPLIED ARTS (MEDIA AND GRAPHIC DESIGN) BACHELOR 'S DEGREE Studied branding, marketing, communication, and multimedia production, building the foundation for my 2D/3D design and animation work. BUC also strengthened my communication skills and helped me build valuable connections and friendships within the creative community. Grade: CGPA 3.3
-------------	---

//

I'm a 3D designer with over six years of experience creating marketing and advertising visuals. With a background in Applied Arts (Media and Graphic Design), I specialize in high-quality product reveals, motion visuals, and 3D assets, collaborating remotely with teams and clients to deliver impactful, goal-driven work inspired by real-world experiences.
