Portfolio    LinkedIn

SUMMARY

3D Artist with a Master's in Digital Animation, specializing in modeling, texturing, and motion design. Experienced 3D Generalist with skills in UI/UX, particle simulations, procedural modeling, and AI-generated content. I deliver creative, high-quality solutions in collaborative, fast-paced environments.

EDUCATION

Bachelor of Commerce with Computer Application

MG University, DCSMAT

08/2017 - 05/2020

Vagamon, Kerala

Master of Arts in 3D Digital Animation

MGUniversity,SacredHeartCollege

08/2022 - 05/2024

Thevara, Kochi, Kerala

PROJECTS

Dense

2024

Kochi, India

Final project during master's degree which is a 3D short film based on a moral story.

SOFTWARE SKILLS

3D Modeling & Animation

Blender, Maya, 3ds Max, Cinema 4D,Unreal Engine, ZBrush.

Rendering Engines

Arnold, V-Ray, Redshift, KeyShot, Eevee, Cycles, Unreal Engine.

Texture & Material Tools

Substance Painter, Substance Designer.

Motion Design & Compositing

After Effects, Premiere Pro, DaVinci Resolve, Element 3D, Final Cut Pro, Element 3D.

Graphic Design & UI/UX:

Figma, Photoshop, Illustrator, Adobe Animate, Canva, AI Tools (various AI-based design tools)

TECHNICAL SKILLS

3D Modeling, Hard Surface Modeling, Character Modeling, Environment Modeling, Organic Modeling, UV Unwrapping, 3D Texturing, 3D Lighting, Rendering, Particle Simulations, Dynamics, Constraints, Loop Animations, Procedural Modeling, UI/UX Design, Website Design, 2D Motion Design, Compositing, AI-Generated Videos, and Image Creation.

SPECIALIZATION

3D Modeling:

Expert in high-poly and low-poly 3D modeling for products, architecture, and characters.

3D Motion Design:

Creating dynamic motion graphics and simulation videos that bring concepts to life.

3D Commercial Ads & Branding:

Developing engaging 3D advertisements and brand visuals for products.

3D Concept Art:

Crafting imaginative and detailed concept visuals, including motion-related elements.

EXPERIENCE

XpressHealth

3D Motion Designer

04/2025 - 12/2025    Northern Ireland

- Produced 3D motion videos, explainer animations, and motion posters.
- Designed and animated characters for branding and campaigns.
- Created website motion videos and contributed UI/UX design ideas.
- Used AI tools to enhance creativity and streamline workflows.

Pixeltoonz Academy of Film and Media Design

3D Design faculty

09/2024 - 04/2025    Kochi

- Taught 3D modeling using Maya and Blender.
- Guided students in techniques and creative workflows.
- Produced 3D models, textures, animations, and renders for Academy projects.

Meisterverse Pvt Ltd

3D Artist

07/2024 - 09/2024    Kochi

- Worked on AR/VR, modeling, texturing, animation, and projection.
- Created 3D motion graphics and rendering outputs.
- Collaborated in team-based projects and explored advanced tools/software.

3D Generalist and Visualizer (Freelancer)

Altoura India Pvt Ltd

(3D Mechanical designing)

Charpstar

(3D Furniture modeling & designing)

Juego Studios

(3D Game assets)

Cubix

(3D Product modeling)

01/2024 - 07/2024    UK/USA/INDIA

Toonz Animations Pvt Ltd

3D Artist Intern

12/2023    Thiruvananthapuram, India

- Learned advanced tools for texturing, sculpting, and detailing (low & high poly).
- Practiced efficient modeling methods with industry professionals.
- Gained strong knowledge of Maya, Substance Painter, and Adobe Animate.

Cyenere Infotech Pvt Ltd

Trainee

05/2023 - 08/2023    Kochi, India

- Assisted in character and props modeling for gaming projects.
- Practiced accuracy and detailing across multiple 3D software.
- Supported team workflows by completing tasks efficiently.

Freelancing

3D Motion Graphics Designer

01/2021 - Present

- Delivered motion graphics, animations, and promotional content for diverse clients.
- Skilled in Autodesk Maya, Adobe Animate, Substance 3D Painter, Photoshop, and AI tools for 3D modeling, texturing, motion design, and AI-generated content.
- Created high-quality assets and streamlined content creation processes using AI.
- Skilled in Autodesk Maya, Adobe Animate, Substance 3D Painter, and Photoshop.
