PROFILE

I'm motivated and detail-oriented with a strong creative background and a passion for delivering high-quality work. Through visual design and 3D art, I've developed excellent attention to detail, time-management skills, and the ability to work efficiently in fast-paced, collaborative environments.

I'm quick to learn new tools and processes, adaptable, and comfortable handling both independent tasks and teamwork. My experience managing complex creative projects has strengthened my organisational and problem-solving abilities which I'm eager to apply in a customer-focused setting.

Enthusiastic and reliable, I'm looking to bring my positive attitude, strong work ethic, and commitment to good service to a team while continuing to grow through hands-on experience.

EDUCATION

- 2020 - 2022 *Chingford Foundation Sixth Form*
(A Levels: Maths, Physics, Electronics)
- 2022 - 2024 *Content Creator Level 3 Apprenticeship*
- 2025 - 2025 *Think Employment Games Design Skills Bootcamp*

EXPERIENCE

2025 - 2025 *Games Design Skills Bootcamp*

Think Employment

- Using Unreal Engine for games design and development
- Creating game ready assets
- Worked as a group to make a game jam in 3 days
- Worked independently to create a game prototype to meet a brief

2024 - 2024 *Content Producer*

Sing King

- Led visual content production for a 12M-subscriber YouTube channel, including editing, thumbnails, and social media assets
- Maintained brand consistency through strong composition, color, and layout choices
- Optimized workflows using Content Tools, Google Docs, and Smartsheets
- Gained practical experience in collaborative creative production and visual pipeline management

2022 - 2024 *Content Creator Apprentice*

Sing King

- Produced motion graphics and visual assets using After Effects, Illustrator, and Photoshop, strengthening visual storytelling and design sensibility
- Worked within a high-volume pipeline, developing adaptability, iterative workflow skills, and creative problem-solving
- Researched interactive and real-time visual trends to enhance content impact and audience engagement
- Collaborated on content strategy through visual competitor analysis and creative input

2022 - 2024 *Crazy Golf Course Host*

Plonk Golf

- Looking after the golf course, ensuring it is ready for play
- Taking payments and greeting pre-booked customers
- Engaging with the public and up-selling golf to potential players
- Opening and closing up shop

2021 - 2022 *Waiter / Server*

Roti Island

- Provided friendly, efficient customer service and handled orders and payments in restaurant and market stall settings
- Prepared and served food/drinks while maintaining high hygiene standards and organised work areas
- Supported daily operations, including stall setup/packdown, restocking, and working effectively during busy periods
