Experience

Byzantian Interactive | Helsinki, Finland

June, 2025 – September, 2025

3D Art Intern

(Four month contract position)

- Used **Maya**, **ZBrush** and **Substance Painter** to construct 5+ hero assets for use in **Unreal Engine 5.5**
- Primary artist on Demon Knight Weapons, and co artist of Demon Knight Armor
- Created environment models and assets to be used for world building

Moonshot Animations | Karachi, Pakistan

September, 2024 – March, 2025

CG Artist Trainee

(Six month contract position)

- Worked in **Maya**, **ZBrush** and **Substance Painter** to create and texture assets for **Unreal Engine 5.3**
- Research and development for custom Control Rig and water and cloud shader development in UE
- Reported directly to Head of Real Time Rendering and CG for lighting a short film “Rob and Lucy”

Overcast – Short Film | Savannah, GA

April, 2023 - June, 2024

Co-Producer, Technical Animator

(Film successfully completed)

- Facial rigged all 4 characters in **Maya** in 2 months, including weight painting and re-topology
- Created cloud simulations for characters and environment, and lighting for 10+ scenes in **Houdini**
- Created team guides for **Houdini** and **Nuke**, managed **Dropbox** and **Shotgrid** for shot turnarounds

Soultek Game Studio | Karachi, Pakistan

July, 2023- August, 2023

Technical Animation Intern

(Game shelved after prototype)

- Modeled 3 characters and environment assets in **Maya** and **ZBrush** to help meet project deadline
- UV unwrapped, texture assistance and taught in house artists **Substance Painter**
- Custom weight painted lead character, adjusted rigs, blend shapes and animations for final build
