

HI, I'M ANA

"I'M A 3D ARTIST WHO FINDS JOY
IN BRINGING IDEAS TO LIFE"

ABOUT ME

My passion for 3D began as a child when games became a big part of my life. I have incredible memories playing games, and my ambition is to help others create memories with visually stunning and immersive experiences.

I love combining creativity with technical skills to achieve high-quality, optimized results for any project.

EDUCATION

2021 - 2024 Games and Multimedia
IPL - Polytechnic of Leiria

EXPERIENCE

2024 - Present

Freelancer 3D Artist

Created several models for indie game studios and individual use for clients. Ranging from models for 3D printing and environment & character art.

2024

Environment & Technical Art Intern

@ Fun Punch Games

Assisted in the production of the game "Shelf Heroes" through environment studies and the creation of shaders in Unity for the environment and UI.
