Portfolio / www.itsmadalfa.com

I'm a 3D artist with 4+ years of experience, combining creative passion, attention to detail, and a drive to grow. I've worked as a freelance generalist and spent the past 3 years creating high-quality digital models for top luxury fashion brands. I'm always eager to learn new skills and stay up to date with industry trends.

Professional Experience

2021 - 2024, jun oct	PlatformE 3D Artist Creating high-quality digital replicas of fashion products, from hard-surface assets like shoes and bags to organic clothing shapes. The role focused on photorealistic lighting, texturing, and rendering. Refined my skills in 3D modeling with Maya, cloth simulations using CLO3D and render with Vray.
2020, Jan – Oct	Professional internship Content management and creation for social media. Associação Cultural e Recreativa Oliveira de Frades, Viseu
2020 - 2025	Freelance Generalist. From abstract motion graphics to modeling and texuring realistic models, from visuals for album covers, photoreal archviz to digital fashion.
2019, Ago	Criatech Aveiro - Criatividade Digital e Tecnologia Exhibit Assistance in Aveiro's festival of digital creativity and technology.

Academic Experience

2025, Feb	CG Fundamentals program Think Tank Training Center Fundamental understanding of CG Art. Modeling, Texturing and Render for Games and Film
2016 – 2019	Bachelors New Communication Technologies Aveiro University, Communication and Arts Dep. Photography, video, web design, and social media, but here's where I was first introduced to 3D. I delved deeper into 3D for two of my projects that involved developing an AR card game and an immersive museum experience using HoloLens AR.
Bachelor	AR museum immersive experience [Within Uni Team project] Experience with 3D character creation and animation Experience with HoloLense AR equipment
Bachelor	AR Card Game [Within Uni Team project] Experience with 3D modeling, shading, animation and augmented reality Participation in Techdays Aveiro exhibition
