CREATIVE EXPERIENCE

Visual Designer (Hybrid)

Jan 2024 – current

London, ENG

- Collaborated with music producers HazleeMusic and Whereisangel over a two-year period, translating creative briefs into promotional posters, teaser visuals, and cover art aligned with each release's mood and brand identity.
- Delivered 15+ draft iterations per project where required, managing an iterative feedback process across concept, photography, and refinement stages, achieving approximately **95–100% client satisfaction** upon final delivery.
- Retained repeat collaboration across multiple releases, with producers returning consistently for new artwork and campaign visuals, reflecting strong creative trust, reliability, and alignment with artistic vision.

Presentation Designer (Remote)

Sept 2022 – current

London, ENG

- Translate briefs and subject matter into **strong visual concepts**, defining colour systems, layout structure, and hierarchy aligned with narrative and brand intent.
- Design presentation and pitch decks using motion, transitions, and theme-led visual direction to enhance storytelling, engagement, and clarity.
- Deliver short pitch decks (5–10 slides) with a one-day initial concept draft, managing refinement rounds efficiently while maintaining consistency, creative standards, and top-performing academic outcomes.

Video Producer (Onsite)

Feb 2022 – current

London, ENG

- Worked as a video producer for four years, delivering end-to-end video projects including the first promotional video for **iLux Accessory**, a final **media interview** project for a Journalism Bachelor's degree, a **webseries pilot** episode and a **self-love podcast** final project for Royal Holloway, University of London, and music video production and editing for **Hazlee** over a 1.5-year period.
- Led full pre-production planning 1–2 months in advance, including concept development, proposal pitches, budgeting, equipment planning, location scouting, risk assessments, crew and cast coordination, and scheduling across casting, rehearsals, setup, and filming days.
- Managed production and post-production workflows with strong organisational and creative control, ensuring alignment between concept, logistics, and final delivery while maintaining quality, efficiency, and clear communication across multidisciplinary teams.

ASSISTANT & EVENT EXPERIENCE

Hospitality Staff Member (Contract)

September 2025 - current

Evolve Hospitality, London, ENG

- Worked as an **agency Hospitality Staff Member across variable venues**, including corporate offices, hotels, restaurants, stadiums and large-scale events, delivering food and beverage service for meetings, conferences, concerts and football matches in high-pressure environments.
- Delivered consistent service across breakfast, lunch, dinner, canapés and bar service, including room and trolley setup, hot food service, drinks service and event breakdown, while maintaining **strict grooming, communication and service standards** in fast-paced settings.
- Regularly **pre-booked and requested by priority venues** due to strong performance, reliability and professionalism, supporting key sites including Houston & Hawkes and Convene Bishopsgate, and trusted to adapt quickly, communicate clearly and perform under pressure.

Hospitality & Events Assistant (Full-time)

November 2023 - September 2025

Houston & Hawkes, London, ENG

- Delivered high-volume corporate hospitality across **55+ conference rooms and large-scale venues (25–300 guests)**, supporting meetings, auditoriums and premium events with breakfast, lunch, afternoon tea, fine dining, canapés and bar service. Trained and onboarded new hospitality team members for over one year, ensuring consistent service standards, food safety, client satisfaction and smooth operations in a fast-paced corporate environment.
- Acted as **Team Leader in the absence of supervisors and managers**, coordinating staff, managing event setup and service flow, handling client requests, bar service (alcoholic & non-alcoholic), and maintaining high-end service standards under pressure.

Cinema Host (Part-time)

July 2023 - February 2024

Odeon Luxe & Dine, London, ENG

- Delivered customer-facing service in a **high-volume cinema environment**, covering ticketing, welcome hosting, bar and food service, in-screen delivery and weekend/bank holiday peak periods, ensuring fast, accurate and friendly guest experiences.
- Supported end-to-end cinema operations including **mobile order delivery to seats, food and beverage handling, and post-screening ushering and cleaning**, working closely with the team to maintain hygiene, safety and service standards under pressure.
