## The Nollywood factory

2019 - 2025

3d generalist and VFX compositor

- I developed VFX compositions and complete 3D set designs for several of their films, including:
  - Badamasi (Amazon Prime)
  - Blackmail (Amazon Prime)
  - Various upcoming releases
- I received multiple nominations for Best VFX Award at the African Movie Academy Awards (2020, 2024) for the films I contributed to.
- I played a role in the award-winning production design for the 2024 film "Out of Breath," which won Best Production Design.

## Rashaad Newsome Studios

2024 - 2025

3d generalist and VFX compositor

- I designed and composited complete 3D environments for a fictional dance scene featuring AI robots in the production's science fiction film.
- I crafted energy and magical visual effects for the production's supernatural movie.
- I also performed cleanups on various shots to remove any unwanted areas.
