

PAUL TREWIN

Worthing, West Sussex | 07828443972 | ptrewin74@yahoo.co.uk
Portfolio: subtwo74.artstation.com

Senior 3D Generalist with 25+ years of experience in visual storytelling and world-building for AAA games and immersive media. Specialist in pre-visualisation, cinematic scene layout, and architectural construction. Expert at bridging concept art and production-ready 3D environments, with a deep focus on cinematic lighting, camera composition, and real-time engine integration (UE5) to support high-end filmmaking and digital production.

CORE COMPETENCIES

- **3D Pre-Visualisation:** Layout & Blocking
- **Cinematic Storytelling:** Camera & Lighting
- **Environment Construction:** Hard Surface
- **Real-Time Filmmaking:** UE5 Pipelines
- **Asset Optimisation:** For VFX & Gaming
- **Mastery:** Maya, Unreal Engine, Photoshop

PROFESSIONAL EXPERIENCE

Glowmade Ltd Apr 2019 – Mar 2025
Senior 3D Generalist / Environment Development

- Led 3D blockouts and cinematic environment layouts within Unreal Engine to establish narrative flow and spatial logic.
- Developed architectural structures and sets that served as the foundation for both gameplay and high-fidelity cinematic sequences.
- Collaborated with directors to define lighting benchmarks and mood-driven key art in 3D.

Framestore Jun 2017 – Aug 2018
Senior Artist (3D Pre-Vis & Immersive)

- Supported world-scale immersive experiences through 3D spatial composition and camera-ready environment construction.
- Worked in real-time pipelines to ensure accurate material, lighting, and cinematic translation for VR/AR filmmaking.

Gunjin Games Nov 2014 – May 2017
Senior 3D Artist

- Produced environment concepts and 3D assets, focusing on silhouette clarity and high-polish material readability.
- Optimised final 3D environments to maintain visual fidelity while meeting technical performance bars.

Black Rock Studios (Disney) Sep 2005 – May 2011
Senior Concept & Layout Artist

- Developed cinematic scene layouts and environmental storytelling for high-profile Disney racing titles.

- Collaborated directly with production teams to bridge 2D design and final 3D asset implementation.

Climax Studios

Sep 2000 – Sep 2005

3D Development Designer

- Created foundational 3D visual scripts and environments that informed the creative direction of full studio productions.

TECHNICAL MASTERY

3D Generalist Tools: Maya (Hard-Surface Modelling, Scene Layout, UVs), Unreal Engine 4/5 (Sequencer, Lumen, Nanite, Lighting), Substance. **Digital Art:** Adobe Photoshop (Texture Painting, Matte Painting, Mood Sheets). **Filmmaking Strengths:** Strong eye for composition, architectural logic, and translating narrative scripts into immersive 3D pre-visualisation.

EDUCATION

- **HND Illustration** – Northbrook College
- **ND Graphic Design & Illustration** – Plymouth College of Design
