PROFESSIONAL SUMMARY

Motivated 3D Animator focused on character performances and expressive dialogue sequences. I have a solid understanding of both Autodesk Maya and Cinema 4D. The latter software I learned on the job for the 3D episodic series, Pop Paper City.

WORK HISTORY

03/2022 - 08/2023

Junior 3D Animator

Pop Paper City Ltd | Bournemouth, United Kingdom

Learned Cinema4D for the Milkshake program, Pop Paper City. Moved close so I can work in the studio.

03/2021 - 11/2021

Technical Animator

Buckinghamshire New University | High Wycombe, United Kingdom

Imported several Maya animations into Unreal Engine and triggered them into playing in a cutscene.

03/2022 - Current

Freelance Animator

Self Employed

08/2021 - 10/2021

3D Animator

Humanitarian Operations | London, United Kingdom

Created new character sequences for a game character and also polished past animations for the game character.
