Summary

Creative Video Editor and VFX Artist originally from India and currently based in Birmingham, UK, with an international education background across Dubai and Malaysia. With over four years of professional experience, I have worked across films, commercials, Meta ad campaigns, and award-winning short films, combining strong technical skills with a storyteller’s mindset. Proficient in Adobe Photoshop, Premiere Pro, After Effects, and Silhouette, I specialise in concept-driven editing, pre-visualisation, and polished post-production workflows. I thrive in collaborative environments, enjoy shaping ideas from concept to final output, and focus on creating impactful visuals—even with limited resources. Open to full-time opportunities, freelance projects, and creative collaborations in the UK and internationally.

Work experience

ROTO ARTIST I 2021-10 - 2022-08

Artisan Media Solution Company, Chrompet, IN

- Gained extensive experience working on VFX for eight Hollywood films
- Developed expertise in shot selection, team discussions, corrections, and managing mandays
- Learned through trial and error, focusing on shot separation and refining techniques for optimal output

ROTO ARTIST I 2021-02 - 2021-06

AVK Production Company

- Collaborated with a team of 15 members under the guidance of a manager who was an assistant to renowned VFX supervisor, Mr Srinivas Mohan, in Indian cinema
- Contributed to the VFX work for the movie 'JANGO', with my name credited as a Roto Artist in the end credits
- Selected as Teaching Assistant for Adobe Creative Suite (Photoshop, Premiere Pro, and After Effects) following the successful completion of a jango web project.Evaluated for advanced responsibilities after a comprehensive review of previous work and multi-disciplinary skill sets.

• Granted full autonomy to manage individual tasks and projects independently, demonstrating strong self-management.

- Selected to collaborate on a high-priority new project initiated by senior leadership following a track record of consistent performance.
- Mentored and trained beginners on software fundamentals, leveraging previous technical expertise to accelerate student learning.
- Promoted to Advanced Industry Projects at Artisan Media Solution based on high performance and demonstrated Shot Handling teamwork skills.

VIDEO EDITOR - 2024 - 2026

D & AD Brief , Birmingham City University

- **Mac & Cheese – Advertisement (D&AD Awards Project)**
Collaborated on an original advertisement selected as a finalist for the D&AD Awards. Worked closely with the Mac & Cheese brand after reviewing multiple briefs, including Coca-Cola and IMAX 3D. Contributed to concept development, screenplay, cinematography, acting, and editing while strictly adhering to brand guidelines. The final output was based on an original story and shot in a university studio, with visual styling aligned to the brand’s colour identity.
- **Go Local Supermarket – Videography & Advertisement**
Independently handled concept development, cinematography, editing, and screenplay for a promotional advertisement. Conducted location analysis, visualised shots in advance, and executed the shoot accordingly. Wrote the dialogue and incorporated AI-generated voice-over to deliver a polished final advertisement.
- **Unity Bites – New Product Launch Advertisement**
Co-created a fictional snack brand advertisement inspired by real consumer behaviour and cultural experiences. Led concept development, product naming, cinematography, editing, and storytelling. The campaign focused on crisps as a universally appealing food item and creatively integrated a cricket theme to represent cultural unity, with colour symbolism reflecting India and Pakistan.
- **Contempee – Meta Ad Campaign (Flower Promotion)**
Collaborated with the Contempee brand in the UK to produce Meta advertisement videos promoting their flower sale campaign. Contributed to video editing, visual storytelling, and promotional content creation tailored for social media platforms.

VIDEO EDITOR - REMOTE 2020-09 - 2023-01

WHD Media, Chennai, IN

- Collaborated with Head of Department on multiple projects, including event videos for WHD Organisation.
- Edited various video formats, including event highlights, title animations, and voice-overs.
- Produced short films, cover songs, and VFX reels, showcased in portfolio.
- Earned Best Screenplay Award from Government of India for Quarantine short film on COVID-19 awareness.
- Served as editor for YouTube food vlogger for three years, enhancing video content quality.
