

Tehmoor Hamid

8 Linden Avenue, Bradford, BD3 7AL | 07561150027 | tehtmoor-h@hotmail.com |

Profile

Dynamic 3D Artist with extensive experience in animation, design, and digital media. Delivered engaging online instruction in 3D modelling, enhancing student creativity and technical skills. Directed artistic design as Lead Artist, mentoring animators and elevating project quality. Specialized in creating character rigs and producing high-quality animations, streamlining production processes. Eager to leverage diverse skills and collaborate within a progressive studio environment.

Experience

PRIVATE TUTOR | OUTSCHOOL | DECEMBER 2022 - MAY 2023

Facilitated online instruction for students in 3D modelling software. Supported development of aspiring 3D artists through weekly sessions. Enhanced student skills to maximise individual creative potential.

- Delivered engaging lessons on 3D modelling techniques.
- Guided students in project development and skill refinement.
- Fostered a collaborative learning environment for artistic growth.

LEAD ARTIST & ANIMATOR | DOVELP LIMITED | MARCH 2022 – SEPTEMBER 2022

Oversee artistic design, ensuring quality and consistency across game projects. Coordinate with team members to produce 3D props and animations as required. Guide 3D animators in creating high-quality animations, delivering on deadlines. Develop rigs for 3D character models to facilitate animation.

- Directed artistic design efforts, enhancing visual quality in projects.
- Mentored animators, boosting animation quality and team productivity.
- Created character rigs, streamlining animation processes.
- Participated in recruitment decisions for 3D artists and animators.

Education

BACHELORS IN GAME DESIGN AND DIGITAL MEDIA | JUNE 2018 – NOVEMBER 2021 | BRADFORD COLLEGE

GAME DESIGN AND DIGITAL MEDIA LEVEL 3 | BRADFORD COLLEGE

Skills & Abilities

- 3D Modelling
- 3D Animation
- Rigging
- Blender
- Texturing
- Maya
- Unity
- Unreal Engine
- Zbrush
- Marmoset Toolbag
- Corona Renderer
- English
- Leadership
- Teamwork
- Communication skills
- Organisation
- Adaptability
- Attention to detail

Activities and Interests

In my spare time, I enjoy utilizing my skills in teaching, 3D modeling, and design to work on personal projects. I always like to reach out to possible new friends to partake in an activity and expanding the circle. I also find relaxation and satisfaction in tending to my garden, enjoying a good book, going for walks to explore nature, and staying active at the gym.
