

TROYT COBURN

ART DIRECTOR / EDITOR / CGI ARTIST

UK • +447514012086 • troyt@troycoburn.com • linkedin.com/in/troyt-coburn-2a7986bb

Art Director / Editor / CGI Artist

Senior Motion Graphics and CGI Creative with 10+ years' experience delivering animation-led moving-image content across branded, digital, and immersive environments. Extensive hands-on expertise spanning motion design, CGI creation, editing, and post-production, combined with experience leading creative teams and supporting high-volume content workflows. Strong pipeline awareness with a practical understanding of asset systems, versioning, and technical integration. Collaborates closely with creative and technical stakeholders to translate concepts into technically robust visual executions.

EXPERIENCE

Troyt Coburn

2015 - Present

Art Director / Editor / CGI Artist (10 Yrs Exp)

- **Animation & Editorial Ownership:** Lead creation and finishing of animation-led content, combining hands-on animation, edit, and final delivery across complex visual outputs.
- **Pipeline & Systems Thinking:** Define and optimise scalable content workflows, including asset structures, templates, naming conventions, and versioning for high-volume production environments.
- **Immersive & Technical Collaboration:** Work closely with creative and technical teams to translate narrative intent into technically robust moving-image executions across non-standard playback contexts.

Big Finish Production

2022 - 2024

Editor / CGI Artist

- **Ownership & Accountability:** Entrusted as one of three lead editors defining brand narrative and visual identity. Managed complex workflows to deliver polished creative assets, ensuring consistency and impact across all marketing touchpoints and platforms.
- **Collaboration & Multitasking:** Provided strategic oversight across multiple creative teams and projects, maintaining clear, proactive communication to keep workflows efficient and on schedule. Partnered cross-functionally to align creative output with broader business goals, successfully managing complex, multi-channel campaigns simultaneously.
- **On-set Experience:** Served as Editor, Digital Technician, and VFX Supervisor, providing technical expertise and creative guidance on set. Played a key role in optimising workflows, troubleshooting in real time.

M&C Saatchi

2011 - 2015

Art Director / Image Coordinator

- **Platform-specific Optimisation:** Adapted creative assets seamlessly across diverse touchpoints and platforms, maintaining brand integrity through precise, non-destructive workflows.
- **Post-production expertise:** Leveraged hands-on experience as a retoucher and editor to oversee post-production teams of 10+, collaborating closely with producers to design efficient, realistic schedules and streamlined workflows that ensured on-brand delivery.
- **Asset management & delivery:** Managed asset libraries and enforced usage rights. Correct file formatting and archiving.
